*Allowable Subject Matter*

Claims 2-5 and 10-24 are allowed.

The following is an examiner's statement of reasons for allowance: In regard to claims 2-5, 10-14 and 21-22, the prior art fails to teach the platform defines an opening that receives the lower shaft when the lower section is detached from and inverted relative to the upper section, wherein the stand can be arranged in a compact configuration for storage and shipment. In regard to claims 15-18 and 23-24, the prior art fails to teach the lower shaft inserted through the shaft opening in the platform and telescopically inserted at least partially into the hollow upper shaft, wherein the platform and the anchor are adjacent each other with the upper and lower shafts not positioned therebetween. In regard to claims 19-20, the prior art fails to teach the method for inserting the inverted lower shaft through the shaft opening in the platform until the platform and the anchor are adjacent to each other and the upper and lower shafts are not positioned therebetween.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
